## Anonymous EMNLP submission

### Abstract

This document contains the instructions for preparing a manuscript for the proceedings of EMNLP 2020. The document itself conforms to its own specifications, and is therefore an example of what your manuscript should look like. These instructions should be used for both papers submitted for review and for final versions of accepted papers. Authors are asked to conform to all the directions reported in this document.

### 1 Introduction

The following instructions are directed to authors of papers submitted to EMNLP 2020 or accepted for publication in its proceedings. All authors are required to adhere to these specifications. Authors are required to provide a Portable Document Format (PDF) version of their papers. **The proceedings are designed for printing on A4 paper.**
